

Velvet

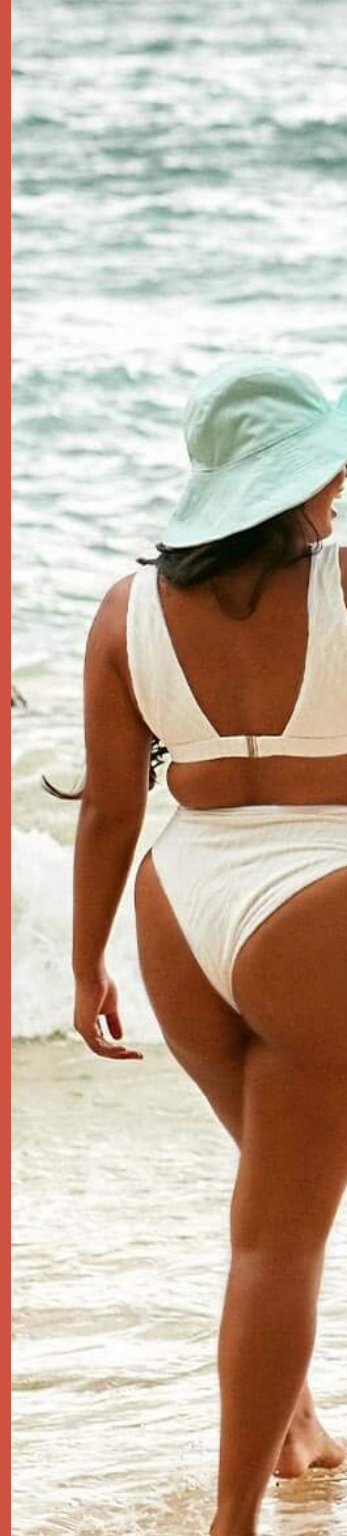

RITUAL

Brand story

«Velvet ritual» evokes a sense of luxurious indulgence and timeless elegance. The juxtaposition of «velvet,» symbolizing opulence and softness, with «ritual,» suggests a curated experience or routine imbued with sophistication and refinement.

This brandable name embodies a lifestyle where everyday moments are elevated to a lavish and indulgent experience, promising consumers a sense of luxury and exclusivity in their daily rituals.

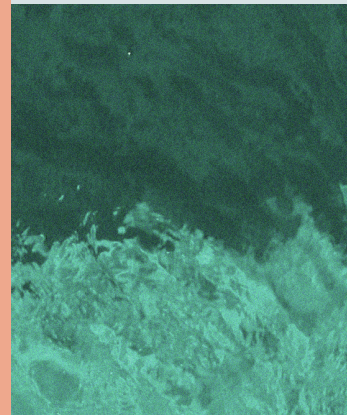

We are solar-powered

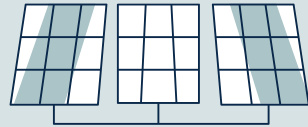

We manufacture out of Bali's only solar-powered swimwear factory, so your products are made naturally powered from sunshine. On very sunny days (the sun is strong at the equator) we send some of that power back to the power grid, and on cloudy days we bring that power back to make more products.

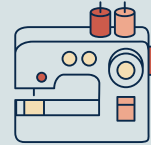

We run on the sun
